Stat-495 Group Contract

Emily Ye & Shukry Zablah

2019-10-31

Group members agree to:

Communication

- Be transparent.
- Respond to Facebook messages within 12 hours
- Define goals at the start of the project and check in about goals throughout the process
- Set due dates and work responsibilities; communicate about deadlines
- Be clear about what work each group member is doing and set deadlines for that work

Participation

- Be positive! Assume the best intentions.
- Work on individuals goals before each meeting.

Coding

- Be organized with code, using comments effectively.
